ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

---

This application was received at the Board of Patent Appeals and Interferences on September 7, 2005. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matters requiring attention prior to docketing are identified below:

Upon review of the Examiner's Answer mailed on November 19, 2003, there is no indication that an appeal conference has been conducted. According to the Manual of Patent Examining Procedure (MPEP) § 1208 (8th ed., August 2001), when an appeal conference has been held, the appeal conference participants must identify themselves as the conferees, along with placing their initials next to their name.

Accordingly, it is

**ORDERED** that the application is returned to the examiner for taking corrective action regarding the appeal conference, and for such further action as may be appropriate.
